Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Commission records indicate that your committee supports/opposes more than one Federal candidate and is not a separate segregated fund or party committee; however, you have checked Line 5(e) which indicates that your committee is a separate segregated fund. A separate segregated fund is a political committee established, financed, maintained, or controlled by a corporation, labor organization, membership organization, cooperative, or trade association.

If your committee is a separate segregated fund, an amended Statement of Organization should be submitted to identify the connected organization and the type of connected organization. If your committee is not a separate segregated fund, then an amended Statement of Organization should be submitted which indicates the appropriate type of committee. 11 CFR §102.2(a)(1)(i)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1148.

Sincerely,
